Added a new "Expand All" button which expands all non-expanded elements:

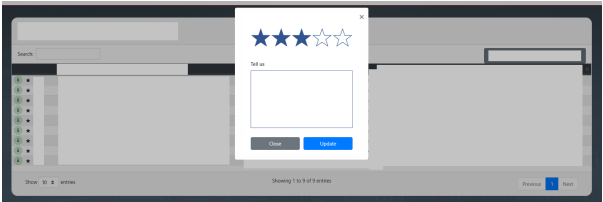

Improved the Google Maps Autolocation bar, and added Google Maps Autolocation bar to other parts of the site that take address:

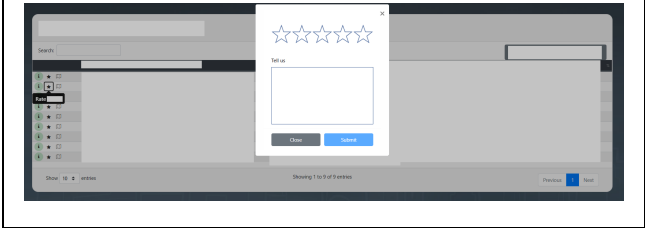

Re-coded the HTML for this Details page, improving the layout dramatically:

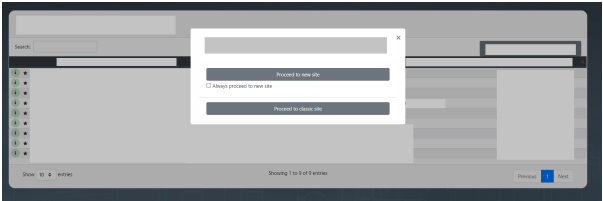

Created a rating control:

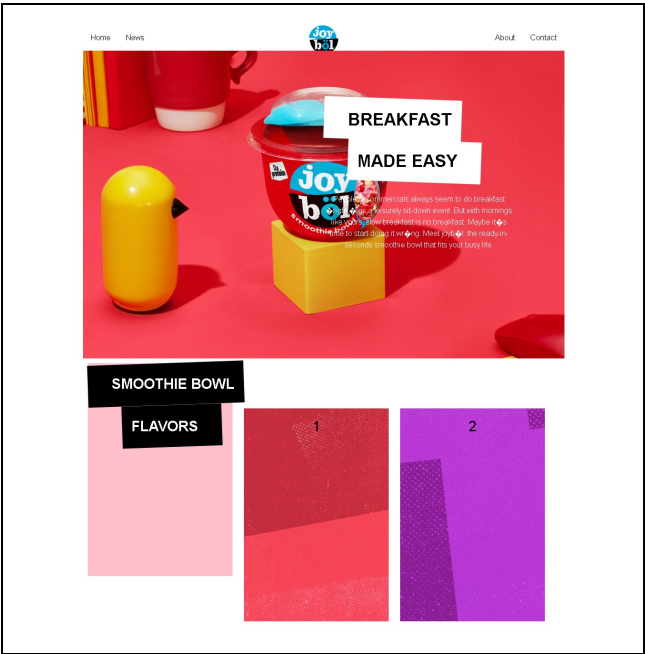

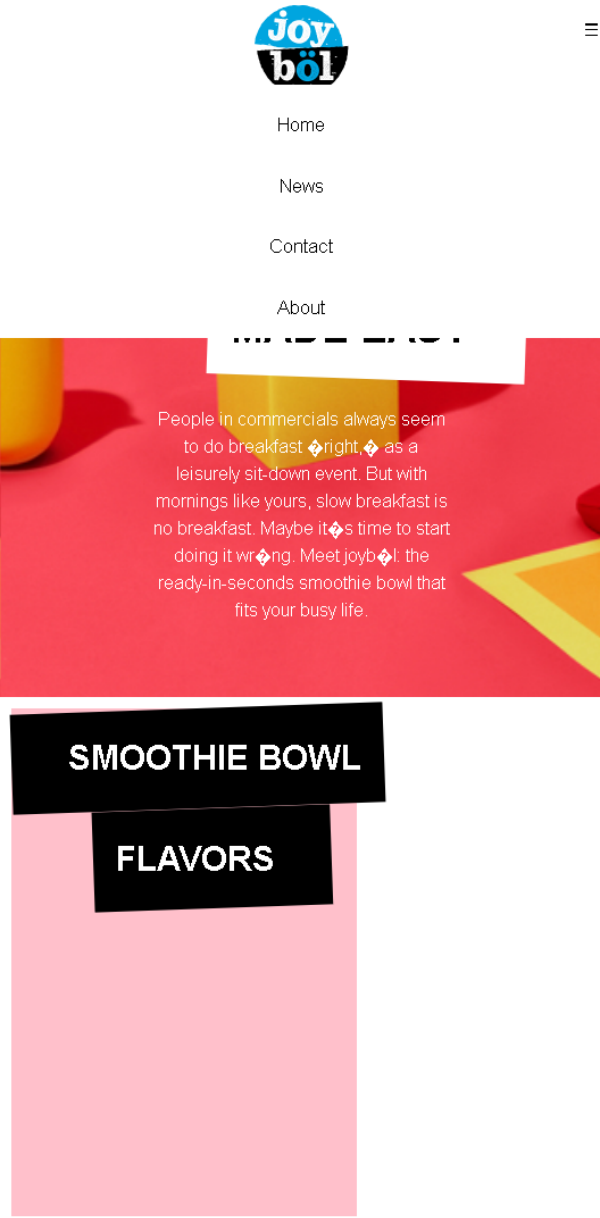

Rating control supports creating a new rating or updating an existing rating. It uses Ajax calls to the server.:

Added a modal-dialog new-site welcome message:

Converted mockups of a website design document and assets into HTML/CSS:

DRIVE FOCUSED

Brought to you by: NorthStarMLS  
for you, innovation, the just factors.

Distracted driving has fatal consequences.  
There's no going back. Take the pledge to focus while you drive.  
Current Pledges 1,335

### TAKE ACTION

Your email address is added solely to identify you as a unique pledge. We will not email you or share your email address.

- I Pledge to Drive Focused:**
  - Put away my phone while driving.
  - Pull over and stop if a call or text cannot wait.
  - Avoid all distractions and Drive Focused.
  - No exceptions.

*In memory of our friend and MLS industry colleague Hubert Skanes Cady 1959-2016*

## VIDEOS

Take a moment to watch these powerful 90 second videos about distracted driving

It can happen to anyone in a flash, even you. Drive Focused.

• • •

## SHARE YOUR PLEDGE

You can make a difference. You can choose to change your behavior  
and share your decision with others.

#Drivefocused

Take your pledge further:  
use EverDrive™ to encourage safe  
driving

Try this free app to help you kick distracted driving to the curb. The app automatically measures driving factors like speeding, acceleration, harsh braking and phone use, making it easier to stay accountable.
